

Observations

- **You can't spell STEM out without Technology.**
- **We live in a time of rapid technological change.**
- **Change can happen before we consider consequences.**
- **Students can be a unique positive influence as peers.**
- **We plan a integrated project for 9th grade students.**
- **All 9th grade students are taking computer science.**
- **Everybody is watching a lot of video content.**

Project

HowTo Technology

Driving Question

**How can we express
a balanced view of
the benefits
and the risks of
emerging technology?**

Non Negotiables

- **Each group creates a 2-3 minute video.**
- **The audience is middle school students.**
- **The topic comes from emerging technology.**
- **The presentation is a balance of benefits/risks.**
- **Must be completed by end of the quarter.**
